TREASURE ISLAND

Las Vegas

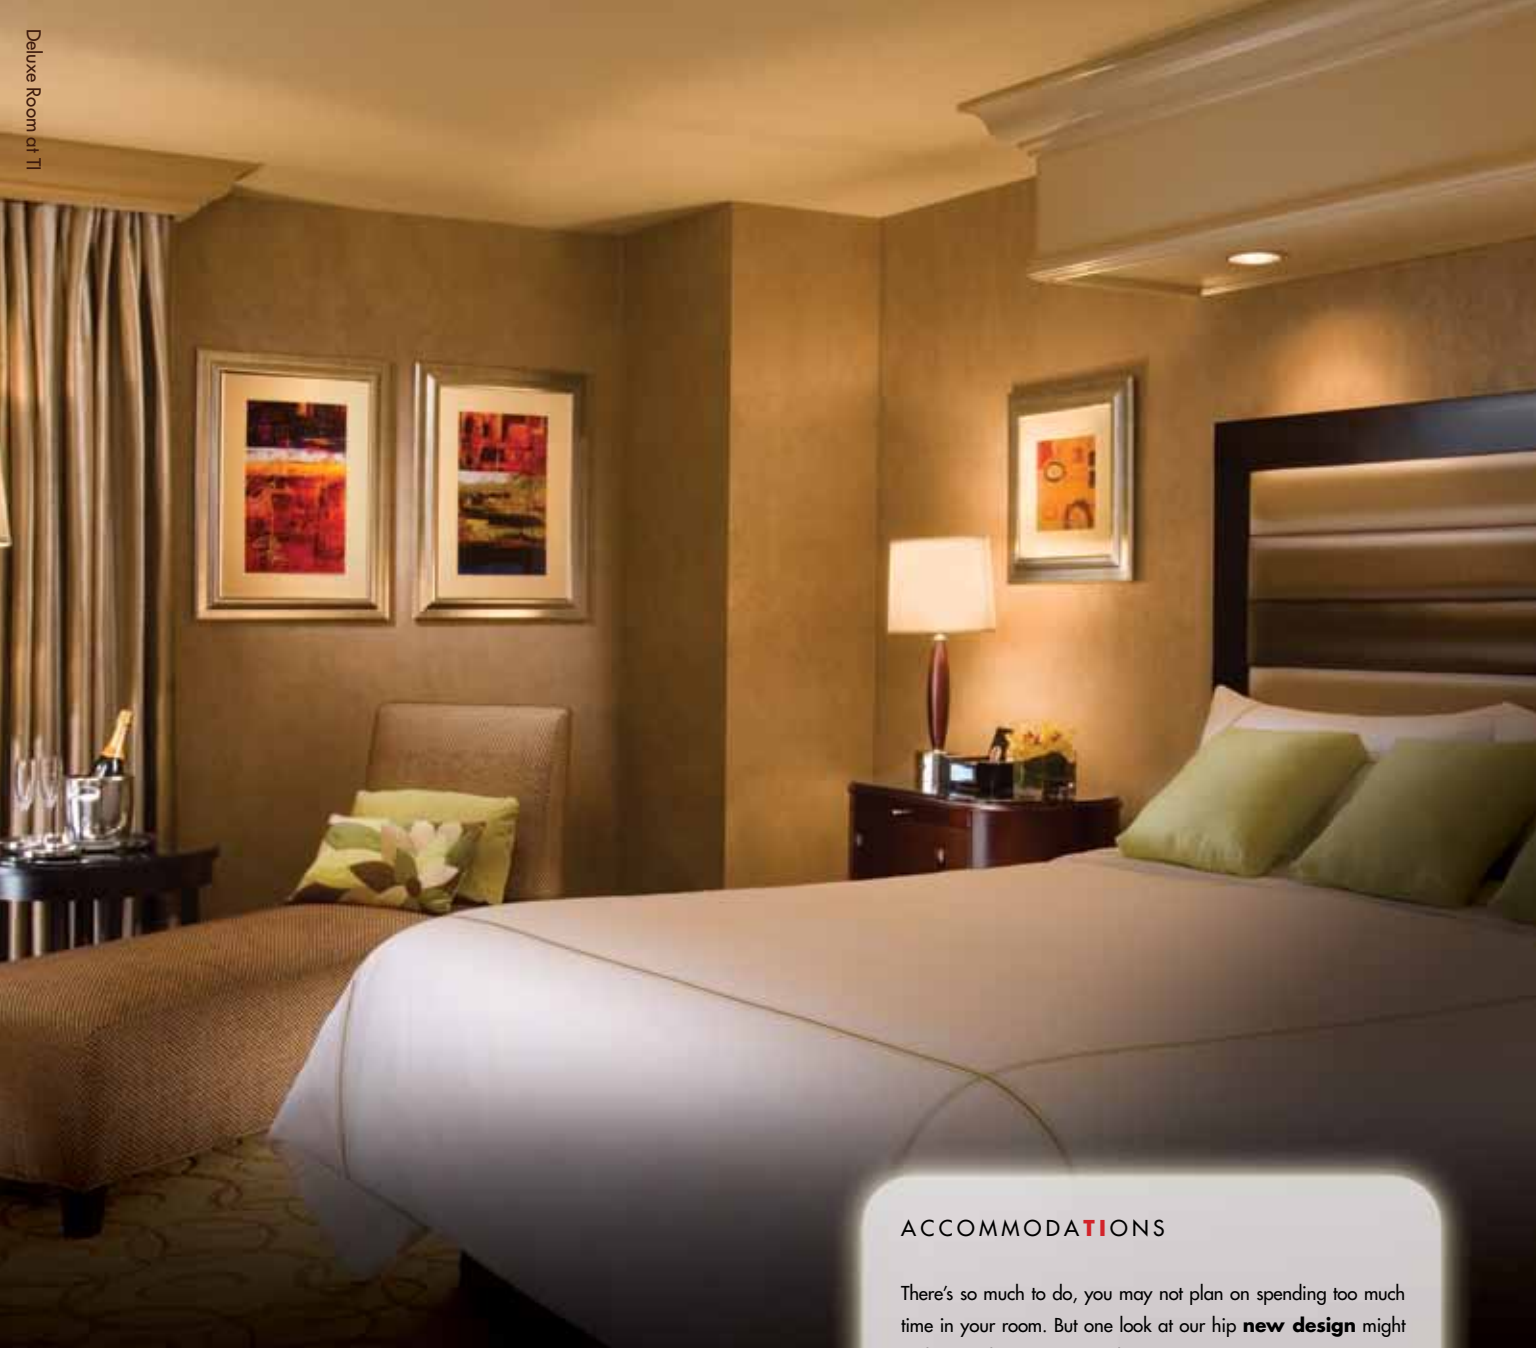

DESTINATION

Welcome to **Treasure Island**. You've arrived at more than a place of exciting games and luxurious accommodations. You'll also chart a course through world-famous shows, savory dining choices, clubs, lounges and a host of other diversions designed to help you unwind or amp up – depending on your mood. This breadth of experiences – and the player-friendly way we deliver them – is why TI is only one of three Las Vegas resorts to win the **AAA Four Diamond Award** for at least 10 years.

Best of all, you're on the newest it-corner of the world-famous **Las Vegas Strip**. Step outside TI and you're moments away from the best new shopping, dining and gaming experiences. Of course, with all the excitement inside, we'll understand if you won't want to leave at all.

ACCOMMODATIONS

There's so much to do, you may not plan on spending too much time in your room. But one look at our hip **new design** might make you change your mind.

Your guestroom is a destination in itself, complete with LCD TV, floor-to-ceiling windows, MP3 player, the plush comfort of our custom **Elite Sensational™** pillow-top beds and much, much more.

All of our accommodations are the picture of perfection. Step inside and you'll see there's room for anything – except improvement.

EXCITING

TI has all the games you love – plus the warm, gracious service that sets us apart as an authentic **Las Vegas** experience – in over 90,000 sq. ft. of premium casino space.

You'll find all the latest slots, plus table favorites like craps, roulette, blackjack and more. The **TI Poker Room** is a great place to test your skills – or a competitor's. And you can catch the latest game at the **Race & Sports Book**.

For the ultimate gaming experience, we recommend the **High Limit Lounge**. This is the hotspot for our gaming elite, complete with a wealth of games and an elegant bar and lounge.

PERFECTION

We're here to satisfy your every appetite, so you'll find great dining choices – upscale and casual alike.

Khotan is Asian Bistro cuisine in a unique setting that features an interactive sushi bar, priceless jade sculptures and an outdoor patio overlooking the Strip.

Isla Mexican Kitchen & Tequila Bar takes you south of the border courtesy of celebrity Chef Richard Sandoval. To quench the fire, sample one of its 100 fine tequilas.

Phil's Italian Steak House is your place for perfect, prime cuts and ocean-fresh seafood. You know it's good when it's named after the owner!

Casual dining at TI doesn't sacrifice quality or comfort. Try the tropical infused tastes of **Kahunaville Island Restaurant**, the wood-fired pizza in **Pizzeria Francesco's**, the authentic **Canter's Deli**, **The Buffet at TI**, the always-open **Coffee Shop**, and the only Vietnamese cuisine on the Strip at **Pho**. Of course, java junkies are covered at our own **Starbucks Cafe**. And you're in for a wild ride at **Gilley's Saloon, Dance Hall and Bar-B-Que**.

ENTICING

When it comes to **nightclubs and lounges**, just choose your scene – then see where the night takes you.

For a party that's too big for four walls and a ceiling, check out the **Christian Audigier indoor/outdoor nightclub** and lounge overlooking the famed Las Vegas Strip.

Stay at the center of the casino action at the **Breeze Bar**. Hang with the Tequila Goddess of the **Isla Tequila Bar**. Get a drink with a side of showmanship at **Kahunaville**, home of world-championship flair bartenders, or ride the mechanical bull at **Gilley's Saloon, Dance Hall and Bar-B-Que**.

FANTASTIC

This is a city built on spectacle, and TI delivers enough to widen your eyes and quicken your pulse.

Mystère™ is the original **Cirque du Soleil®** in Las Vegas, combining the powerful athleticism, high-energy acrobatics and inspiring imagery that thrills generations of audiences with its exhilarating blend of whimsy, drama and the unimaginable brought to life on stage.

For a must-see Las Vegas experience, catch the **Sirens of TI®**. Appearing nightly in Sirens' Cove right next to the Strip, millions of people from around the world have gathered to see the sexy femme fatales wage war against the pirates of the Bull Ship. It's beauty vs. brawn in the boldest kind of way.

TI also presents the best in high quality entertainment and great value for **Special Events** and **Headliners** presented in an intimate theater.
